Bhiwani, Haryana – 127021

[Personal Website](#)

Summary

- Analytical Computer Science student proficient in JavaScript (React, Node.js), HTML/CSS, and RESTful API integration.
- Experienced in building full-stack web applications and optimizing algorithm performance through academic and personal projects.
- Dedicated to driving impact as a Software Engineer by delivering scalable, clean-code solutions.

Education

Om Sterling Global University, Bachelor of Technology in Computer Science and Engineering specialization in Artificial Intelligence

Jul 2022 – May 2026

- CGPA: 7.91

Intermediate in PCM from TIT Sr Sec School Bhiwani

Jul 2022

- Percentage: 95%

Technical Skills

Programming Languages: C, Java, Python, JavaScript,

Frontend Development: React.js, Next.js, HTML5, CSS3, Tailwind CSS

Backend & Web Tech: Node.js, Express.js, RESTful APIs

Developer Tools & Databases: Git, GitHub, VS Code, PostgreSQL

Projects

Personal Developer Portfolio | Next.js, Node.js, Tailwind, Netlify | [GitHub](#) | [\[Live Demo\]](#)

- Developed and deployed a responsive personal portfolio website to showcase technical skills, projects, education, resume, and professional profile.
- Implemented reusable React components, responsive layouts, interactive UI elements, and optimized navigation for desktop and mobile devices.
- Deployed the production-ready website on Netlify with a custom domain and configured the site for search-engine discoverability through Google Search Console.

ElectroHub — E-Commerce Web Application | React.js, HTML5, CSS3, Node.js | [GitHub](#)

- Developed an e-commerce web application for browsing products, managing product information, and supporting an online shopping workflow.
- Implemented core e-commerce functionalities including product listing, product details, cart management, and user-oriented navigation.
- Structured the application into reusable modules and components to improve maintainability and simplify future feature enhancements.

Achievements & Activities

- **GATE 2026 Qualified** — Qualified the Graduate Aptitude Test in Engineering (GATE) 2026 in Computer Science and Engineering.
- **ONGC Foundation Scholar** — Selected as an ONGC Foundation Scholar in recognition of academic performance and eligibility criteria.
- **Microsoft Learn Student Ambassador (Beta)** — Selected as a Beta Microsoft Learn Student Ambassador and engaged in technical learning, community activities, and Microsoft learning initiatives.
- **ICT Infosys Coding Competition Winner** — Secured 1st position in a coding competition.

Interpersonal & Professional Skills

Analytical Thinking · Problem Solving · Team Collaboration · Adaptability
